

I just want to make a comment that I don't care about the big businesses' wants. What I want is to come home in the evenings and not be harrassed by unwanted solitication phone calls. I don't want to hear how this goes against their freedoms because what I am concerned with is the individual freedoms of MAKING A CHOICE TO NOT BE CALLED AT HOME! Sorry if the businesses think they are going to lose money--I for one have never bought anything from a solicited call. I ask that the Indiana NO CALL LIST remain in effect and let me enjoy my freedom of BEING LEFT ALONE AND NOT CALLED. If I want to buy something, I will call them. Let them use the post office--they could always use the money!
